TOTAL NUMBER OF HOURS _____

- Each student must have 40 total hours of volunteer time to graduate with an SJCI Diploma.
- Volunteer hours are counted only for work done on behalf of a non-profit or not-for profit company. It is NOT volunteering if you simply do not accept money for your work at a business or company.
- There are many opportunities to volunteer at your school, local schools or community centres. Exceptions can be made for volunteer work with children (eg: day care, sports camps etc...).
- Volunteer work must be done on the student's own time, not during the school day, or as part of a school function.
- Improper/ineligible volunteer claims can be rejected, **so if you are not sure if your work qualifies, ask!**
